*The Lake County Surveyor's Office supplies this list of surveying and engineering firms for the convenience of applicants, owners and the public. The County Surveyor expressly disclaims liability for any and all disputes which may arise between the parties contracting for surveying/engineering services.

This list is not exhaustive and does not express or imply a preference for any surveying/engineering firm. The County Surveyor makes no representations either expressed or implied as to the current level of expertise of any of these surveying/engineering firms, which is always subject to change. The user of this list should obtain information from the prospective surveying/engineering firm regarding the company's experience and expertise.

*Revised: 08/10/2015 (pwl)*
