

Hoosier homeowners, renters, businesses and private non-profit organizations that sustained uninsured damage caused by severe storms and flooding starting on or after February 15 can report damage online at: <http://bit.ly/2018rainfall>.

A link to the form is also available on the Indiana Department of Homeland Security (IDHS) website at dhs.in.gov. In the middle of the page under "Featured Topics," click on " Heavy Rain and Flooding; February 15, 2018 and continuing."

Individuals will be asked to provide their name, address, phone number and type of damage the property sustained. Losses can include structural damage to homes and loss of personal property. Information gathered from citizens will assist county and state agencies in determining the scope of damage.

FOR QUESTIONS

For questions, contact your county emergency management agency. Contact information is available at dhs.in.gov/2797.htm.

FOR THOSE WITHOUT INTERNET ACCESS

Individuals without Internet access are encouraged to contact a friend, family member or neighbor for assistance. Web access is also available at many libraries, religious institutions, community centers or other public facilities. If none of those options are available, individuals may also contact their county emergency management agency to report damage.

THIS REPORT IS NOT AN APPLICATION FOR ANY ASSISTANCE PROGRAM

This is NOT an application for a grant with the Federal Emergency Management Agency (FEMA). Information will be used to help local emergency management agencies and the Indiana Department of Homeland Security with preliminary damage assessments and to determine if federal assistance can be pursued.
