

Periodic Lane Closures on State Road 53/Broadway and U.S. 30 in Lake County

Crews will periodically close lanes to patch the road and resurface sections of these roads

The Indiana Department of Transportation (INDOT) is alerting drivers to periodic lane closures on State Road 53/Broadway, between 4th Avenue and U.S. 231 and on U.S. 30, between U.S. 41 and State Road 55, Monday, June 26 through the end of November. Crews will periodically close lanes to patch sections of the road, mill and resurface as part of a rehabilitation project.

During this project, both State Road 53/Broadway and U.S. 30 will remain open to all through traffic, but will have lane restrictions in the construction areas. Drivers are urged to pay close attention to the signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Drivers can monitor road closures and traffic alerts at any time via the INDOT Northwest District social media channels: www.Facebook.com/INDOTNorthwest or [Twitter @INDOTNorthwest](https://twitter.com/INDOTNorthwest). Or visit <http://www.trafficwise.in.gov> for INDOT's TrafficWise Traveler Information Service.
