August, 2014

A special presentation for the new Merrillville Stormwater Master Plan will be held at the Merrillville Stormwater Resource Center, 7404 Broadway, on Thursday, August 14, 2014, from 6:00 to 7:00 pm.

Senior Water Resource Professional Engineer, Darren Olson PE, CFM, D. WRE, from Christopher B. Burke Engineering, will be the main speaker and provide details regarding the new plan, as well as answer any questions. This new stormwater master plan contains information from nine drainage studies and identifies specific information on reducing inundation areas that impact all wards.

Light refreshments will be served.
