

Tree Branch Pickup Program

The Public Works Department will start curbside branch pick up on April 1st and run continuously through October 1st. We will start at the north end of town and work our way south and will continue this cycle until October 1st.

This program is NOT designed for, nor can our equipment accommodate, complete tree removals or branches larger than 6 inches in diameter. This free service is meant to assist homeowners in keeping property trees trimmed and to help keep sidewalks clear of lower hanging branches. Trees in parkways are also the responsibility of the homeowner to keep trimmed.

With over 12,000 individual homes in town, the program can ONLY spend up to 20-minutes per household. If you have a rather large pile, or your pile is in an inter-tangled messy pile, we will get what we can in the 20-minute stop, but will then need to come back during the next visit to finish your pickup. We request that you stack your branches all the same way with the cut end all stacked together so we can quickly pick up and grind the branches. Branches larger than 6 inches in diameter, large stumps or trunks will NOT be picked up but will be accepted at the specific locations listed below:

<u>Drop off location:</u>	<u>Times:</u>	<u>Days open:</u>	<u>Dates from:</u>	<u>Accept:</u>
5750 Tyler Street	7:15am-2:45pm	Monday & Friday only	April 1 st -Oct. 1 st	Branches & yard waste
13 W. 73 rd Avenue	7:15am-2:45pm	Monday thru Friday	April 1 st -Oct. 1 st	Yard waste ONLY (no branches)
13 W. 73 rd Avenue	7:15am-2:45pm	Monday thru Friday	Oct. 2 nd -March 31 st	Branches, yard waste & leaves

Any branches left at the curbside after October 1st must be brought to 13 W. 73rd Avenue to avoid receiving a citation from Code Enforcement.
